

Teen beliefs about **CANNABIS** and **DRIVING**

How well do **your** beliefs hold up to the facts?

*If I only had
one tokes, then I
could drive
absolutely fine*

FACT:

Cannabis **doubles** the risk of being in a serious crash.

*Driving high is a
terrible idea but
it's probably not
as bad as alcohol*

FACT:

Nearly **one-third** of drivers who die in a crash test positive for cannabis.

*If I were to
drive high I
think I'd be
more focused*

FACT:

Cannabis can **reduce your ability to concentrate, alter perceptions** of time and space, and **slow reaction times**.

*A lot of people
do it and very
few get caught*

FACT:

Police report nearly **3,000 drug-impaired driving incidents** per year.

FACT:

100% of impaired driving is preventable and not worth the risk
